   A. Corresponding Members
      Judy Skog reported that two scientists were nominated: Viktor Ivanov from the Russian Academy of Sciences, an expert in the cellular basis of plant growth, and Synnove Liaaen-Jensen from the University of Trondheim in Norway, an expert in photosynthetic pigment chemistry. Approval of these nominations comes before the membership as a motion from the Advisory Council. Approved unanimously.
C. Membership Rates (2013)
The Advisory Council brought a motion to increase membership rates as follows:
Professional, $60; Postdoc, $45; Student $35, Community College $40, K-12 $25,
Affiliate $45, Amateur $25, Associate $15, Student Gift $10. Approved unanimously.

D. Subscription Rates (2013)
The Advisory Council brought a motion to increase subscription rates for the AJB by $45 across the board. The new rates would be: print $740 for US institutions, $785 for Canadian and Mexican institutions, $830 for all other institutions; online: $715.

E. Advisory Council Recommendations
Not discussed

F. 2012/2013 Budget
The budget was approved unanimously.

F. Awards
Bill Dhl is working to ensure that all awards are sustainable
Steve Weller will appoint an ad hoc committee to review award structure

Discussion of the composition of the Merit Award committee ensued. The issue is whether students and/or junior faculty should be on the committee? There was quite a bit of discussion and views differed. No vote was taken but a consensus formed around the decision that the committee should consist of more senior members. The members left it to the Board to recommend the appropriate language.

G. Future Meetings:
   2013 New Orleans July 26-31
   2014 Boise end of July
   2015 Edmonton end of July
