New England Cannabis Research and Education conference

[New England Cannabis Research and Education Conference](#)

The first New England Cannabis Research and Education Conference will take place at **Eastern Connecticut State University on Oct. 21-22, 2022.**

MISSION: The New England Cannabis Research and Education conference at Eastern Connecticut State University aims to create a learning space where students, educators and members of the cannabis industry in New England can gather to share information in the emerging field of Cannabis Studies.

WHO SHOULD ATTEND --

- * College students interested in biology, farming, the cannabis industry or any social issues related to the cannabis industry.
- * Academics interested in any fields related to cannabis research.
- * Farmers who work with cannabis or are curious about cannabis cultivation.
- * THE PUBLIC IS WELCOME -- cannabis businesses can become exhibitors or sponsors of our conference. Please ask us about Exhibitor and Sponsor rates at necrec@easternct.edu

TOTAL ADMISSION RATES INCLUDING BOTH CONFERENCE DAYS Oct. 21-22, 2022:

FREE for University students

\$50 for Academics and the general public

\$200 for Exhibitors
